**PINE WATER COMPANY'S REQUEST
FOR EXTENSION OF DEADLINE TO
FILE WATER SUPPLY ALTERNATIVES
REPORT**

Pursuant to Decision No. 67823 (May 5, 2005), Pine Water Company is preparing to file its 2005 Report on Water Supply Alternatives. It has come to Pine Water's attention, however, that information was provided to the Arizona Department of Water Resources on or about October 19, 2005 concerning water supplies in the Strawberry Hollow development, located in Pine, Arizona and within Pine Water's CC&N. In fact, there is a possibility that this information will lead to an additional water supply alternative to be explored by Pine Water.

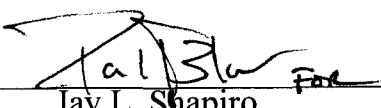

It follows that such information is extremely relevant to Pine Water's analysis and the Company submits that such additional information should be analyzed for inclusion in the forthcoming report to be filed by Pine Water. In order to analyze the recently disclosed information for inclusion in its 2005 Report on Water Supply Alternatives, Pine Water asks that the current October 31, 2006 deadline for filing such report be extended until November 7, 2005. Such extension is supported by Staff and Intervener John

1 Breninger. No other party could be reached before the filing of this request.
2 Nevertheless, no harm will come from the short extension requested herein .
